Fellow Brothers,

Alpha Chi Rho is on the move and changing!

- A new web portal provides a way for Chapter Brothers to reconnect or maintain communications. Visit www.alphachirho.org to see for yourself. If you need help with logging in, give us a call!
- While on the website, click on the LinkedIn icon to network on the Alpha Chi Rho National Fraternity LinkedIn page.
- Regional events are ongoing in many states (California, Florida, Pennsylvania, New Jersey and others).
- Expansion of Chapters is ongoing; closed Chapters are being revived and activities at new schools are in the works.
- And the Foundation is experiencing greater demand for aid from our Brothers.

The changes we have made and have planned for the future will allow us to communicate more effectively with our Graduate and Undergraduate Brothers; therefore, positioning the Fraternity and Foundation for future success. But we can't do it alone! Get involved with your Chapter, reconnect with lost Graduate Brothers, and volunteer at the National level. We are always looking for Graduate Brothers who are willing to assist us at the National level by serving on committees, advising Chapters, serving on Building Corporations or Graduate Clubs, and serving in leadership positions within the National Council and Foundation Board of Trustees.

The 101st National Convent this summer in Pittsburgh, Pennsylvania, July 24 – 26, 2011, is a great way to get reconnected, network with other Brothers, and learn about the various ways to get involved. Take some time and join us. Visit www.alphachirho.org for more information on the Convention and to register.

All the best!
