

From the Desk of Shane McGoey
Director of Development

Another school year is almost complete! The weather is warming up – even though for many, it never really got that cold this past winter – and soon we will be thinking about summer vacations, pool parties, baseball, and other outdoor activities associated with the summer months.

The Fraternity and Educational Foundation will be busy planning for the annual Leadership School, which will be held at Ramapo College, July 19-22, as well as welcoming two new travelling staff members to Headquarters. The selection process for that is winding down and the new hires will be announced shortly.

The Convention Committee, chaired by Past President Glenn Slavin and included current National President Victor Ramos, Scott Carlson, Ken Chapel, Joshua Brodsky, and myself, has recently decided that Convention 2013 will be held at the Hilton Myrtle Beach Resort on the Kinston Plantation located in Myrtle Beach, South Carolina. The Resort boasts ocean-front views, direct access to the beach, multiple pools and small water park for the kids, a golf course, as well as other amenities you would expect for a resort. Contract negotiations are being completed now, but the Convention will be held in early August 2013. Stay tuned for further information and plan on bringing your family for some fun!

I hope you enjoy the summer and are able to get some rest and relaxation before the dog days of summer end. Until the next newsletter publication... Enjoy!!

Best,

Shane McGoey
