

## Judgment Not By Externals...

...but by intrinsic worth. That's what we believe. Our Brotherhood exists because our strength comes from our bond; our word. These Brothers completed a service project for the Trenton Park Service in New Jersey during Leadership School this past summer. It's just one example of Brothers stepping up and saying "We're going to make a difference."

Will you make a difference? Give to the Alpha Chi Rho Educational Foundation. Your tax-deductible contribution, no matter how large or small, makes an impact in helping our Brothers succeed and continuing the legacy of Alpha Chi Rho. Investing in our Brotherhood is something we all should do. Won't you?
