Editor's Message

Greetings Brothers,

I am writing you today about our web portal and the e-Garnet & White. A good number of Brothers have logged onto the portal, and National has received some feedback for improvements which have been acted upon already. Still, I encourage all of you to habitually check the portal, reconnect and see what is going on with the National Fraternity. The e-Garnet & White is published four times a year, but we still post articles in the portal's news section when we receive it so everyone is up to date between issues.

There were some inquiries about the general use of the portal and guides. As a result we will be generating user guides on varying topics to help Brothers familiarize themselves with the new web portal. At the bottom of this message I will list what we intend to generate. If there is something you would like added to that list please feel free to email the suggestion to editor@alphachirho.org or hq@alphachirho.org.

I am also announcing a contest regarding the e-Garnet and White banner! This will be a competition where the winners will have their images used as the banner for an e-Garnet & White issue. The top four chosen will be used for the next four issues, and honorable mentions may be used for other issues. The winning and honorable mention banners will also be displayed on the Alpha Chi Rho website. The deadline for submitting is June 11th, 2011. Winners will be announced in the following issue of the e-Garnet & White. Images need to be in jpg or png format. Please include the image, your name and Chapter in the submitting e-mail. Images can have a maximum height of 197 pixels and a maximum width of 600 pixels. All image submissions also need to contain Garnet & White. Please send your submissions to editor@alphachirho.org. This is open to all Brothers. My hope is to hold this contest on an annual basis.

In The Bond,
