

Phi Sigma Tau Update

The Phi Sigma Tau Chapter of Alpha Chi Rho at Kutztown University has been doing a number of things during the beginning of the Fall Semester. Brothers volunteered to help clean up after Kutztown's "Kickoff Carnival", an event sponsored by the Greek Life Office. This Friday Brothers are planning (barring another cancellation due to bad weather) to work at Dorney Park as a fundraiser to raise money so that our Chapter can have a successful formal at the end of the year! On October 15, 2011, our Chapter will be hosting our 2nd Annual Madden Tournament to Benefit Autism. Hopefully we can build off of our success last year and continue to make this tournament a successful tradition for our Chapter. The remainder of this week is slated to be the last call for all Rush events so that on Sunday we can pin our new members. T-shirts have also been made for this semester, which we would like to share with as many of our alumni as possible. Our Homecoming is November 5! The Phi Sigma Tau Chapter of AXP is alive and well, and we hope to continue to strive to be the best chapter we can be!

-Jeff Knappenberger, President, Phi Sigma Tau, Kutztown Chapter
