

## **A View from the Road**

by Dominic Paradise, Leadership Consultant

I believe my first journey as a Leadership Consultant of Alpha Chi Rho has gone fairly well. After a rough semester last year, Lock Haven is getting ready for a big recruitment, and they are also working to strengthen their community service and philanthropy activities. The new executive board is up to the challenge to make AXP one of the top fraternities on campus. The men of Omega Chi Phi at York College of Pennsylvania are working their way back into things. They have many events planned for the semester, including a sponsored presentation to the Greek community about hazing.

A big highlight thus far was my visit to Richard Stockton College of New Jersey. On September 12<sup>th</sup>, 2011, these men were pinned and re-colonized. They are excited for a good rush and a very successful year. They are ultimately looking to be re-chartered as quickly as possible. After a great visit to Richard Stockton, I was headed off to Penn State's Phi Lambda Chapter. When I arrived I was glad to see that recruitment went well for them, and they have pinned 13 new postulants. The Chapter is off to a good start and is preparing for both Homecoming and Parent's Weekend events. As for now my travels have been good, and I am looking forward to continuing my travels towards the Midwest Chapters.
