On September 17, 2011, seven Brothers of the Delta Sigma Phi Chapter of Alpha Chi Rho participated in the "Work On Worcester" annual service event hosted by their Inter-Fraternity Council and Pan-Hellenic Council. They went into different areas in Worcester (e.g. Worcester Housing Authority, Institute Park, Nursing Homes and Animal Shelters) and perform projects that directors of these organizations set up ahead of time. An example of a project is cleaning up trash around a park or painting fences for the Worcester Housing Authority.
