

Phi Beta Chi Hosts “Pie a Crow” for Habitat for Humanity

In early October the Phi Beta Chi Chapter of Alpha Chi Rho at Radford University hosted their first annual “Pie a Crow” event to help benefit Habitat for Humanity. The event took place on the quad in front of the student center, and was able to raise \$210 for Habitat for Humanity. “This was a really fun event for all of the Brothers, and we raised money for a great cause while doing it,” said Chapter President Clark King. The Chapter is planning on doing the event again in the spring and expects even more campus support.
