

## New Year's Resolutions

As the year comes to an end and the holidays are passing quickly, it is time to think about your New Year's resolutions. According to Wikipedia, "A New Year resolution is a commitment that an individual makes to one or more lasting personal goals, projects, or the reforming of a habit." A New Year's resolution is generally a goal someone sets out to accomplish in the coming year. Many times people set goals and work hard for the first month or so, only to slip back into their old habits. Some of the most popular are to quit something or get into better physical shape. Those who typically succeed in their resolutions are the ones who have the most support from others.

This year when you are contemplating about what to choose for your New Year's resolution, think about your Fraternity. Did your undergraduate Chapter, graduate Chapter, or housing corp. set goals for the upcoming year? If you are an undergraduate student, will you make a resolution to improve your grades? Will you set a goal to make your chapter the best Greek organization on campus? Alumni, will you make a resolution to support the fraternity and get involved on a local or national level? Our organization was created with the purpose of creating bonds while at the same time doing good for our communities. Our Founding Fathers stated that we should not exist for the sake of existing.

This organization belongs to all Brothers of Alpha Chi Rho. Some are more involved than others, some have money to share and some have time to share. As alumni it is our duty to support and guide the undergraduates in a direction that is in the best interest of the Fraternity. As undergraduates, it is our duty to make our campus a better place because we are there, all the while striving for academic excellence. The main reason we all went to college in the first place was to get an education and grades should be our first priority.

Our National Staff is always available to assist both alumni and undergraduate Brothers, so if you need help or guidance, please give us a call. So, on New Year's Eve when you are thinking about your resolutions, I hope that Alpha Chi Rho comes into your mind and you resolve to help make us a better organization.

In the bond,

Dominic J. Mevoli III

Scholarship Advisor for the National Fraternity of Alpha Chi Rho.

***Did you know that AXPEF offers over \$25,000 per year in scholarships?***
