

# Alpha Chi Rho at SUNY Geneseo Sponsors “Deep Freeze” Raises over \$5000 for the American Cancer Society

By Timothy Caughlin, '13 – Correspondent

At SUNY Geneseo, the Brothers of the Phi Zeta Chi Chapter of Alpha Chi Rho just completed their 11th annual “Deep Freeze” for the American Cancer Society. The Brothers took shifts standing and sleeping overnight in tents in an academic quad from January 30th to February 3rd. Beyond just asking for donations, there were evening events - including a cancer research talk, a concert, a night making cards for cancer patients. The night culminated in a candlelight vigil remembering loved ones, and in honor of a founding Brother of the Chapter. Phi Zeta Chi is proud to say it surpassed its goal of \$5,000 dollars, and that more donations are still coming. The co-chairs of the event were Brian Alexander '12 and Timothy Caughlin '13. A special thank you goes to alumnus, BJ Scanlon '07, for encouraging and challenging other alumni to donate! If you are interested in donating to the American Cancer Society through Deep Freeze, the online paypal link will be open until April 14th.
