

Community Service Reports by Chapter

Compiled by Brother David Luckenbill

I would like to preface this compilation with a hope that more Chapters let the Garnet & White know what they are up to in regards of service, and what they plan to do in the coming months between issues of the magazine. Why let us know what you are going to do for fundraising and service? Other Brothers (Graduate or Resident) and nearby Chapters may be able to help out and make it a joint effort.
