

Omicron Phi of Alpha Chi Rho 1966-2004 Oriskany Crow House Reunion October 2012

To all AXP Omicron Phi Brothers of Utica College:

UC Omicron Phi AXP 1966-2004 Reunion (October 12-14, 2012)

UC Omicron Phi AXP 1966-2004 Reunion is slated for October, 12-14, 2012, at Utica College Homecoming. Mark your calendars, tell your closest Brothers, and save your pennies to attend. If you want to attend, you'll be there. This is a reunion with all the Brothers from Omicron Phi. It is truly by popular demand. The Brothers who attended the reunion in 2010 had such a good time that they wanted another one asap. We all stayed at the Burrstone Road Holiday Inn and received a UC Homecoming discount. All the incomplete or is connected old stories were told and many missing parts were filled in. Even the Simon and Garfunkle story was told in its entirety. All you have to do is keep an eye on the UC web site alumni page. You can sign up in July or August online and choose your own events. The committee will choose certain events for all of us to enjoy together, but it's really up to you. I am hoping that Jeff Sweet and Rasta will get a welcoming event only for AXP on Friday evening, or that Joe can get us another private Brewery tour for Friday afternoon. Jeff Sweet and Rasta can also reserve the UC Faculty dining room for Saturday Morning 10AM for a Council meeting of the Brothers. Last reunion in 2010 it was one of the highlights of the weekend. It was our first Council in about 40 years. We had a great impromptu gathering at the lounge at the Holiday Inn on Friday night, food and drink. We also had breakfast together, impromptu, on Saturday and Sunday mornings at the Holiday Inn breakfast lounge. Saturday night 9:30 PM is a definite Pub Night at the UC Pub, but some Brothers chose to go to the President's dinner at 8PM. We can recommend events, but it's up to you to register and then choose and pay for your events. Last time the total came to a max of \$45.00 if you chose **all** the events, and some just chose to go to the Pub Night for \$15. It's cheap; it's fun; it's unique; and it's the only time that we can ALL be together for that magic. There is a free Homecoming football game on Saturday afternoon. There is a pay BBQ before and after the game.

Your only job is (1) tell all the Brothers you are in contact with about the 2012 AXP Omicron Phi reunion, and (2) Check the UC web site (Alumni tab) this summer for the registration page sometime in July or August and register and pay for the events.

Note: There is a list of those who have registered to attend Homecoming on the UC web site. Most people don't register until the very last minute. Why? I don't know.

However, if you want to be in the middle of the action, don't procrastinate in making your reservation at the Holiday Inn. The Homecoming dates are [October 10-12, 2012], make your reservation at the Holiday Inn now and mention the UC Homecoming discount. We will tell you the special price when it's announced, and you must make sure they give it to you. Last time they pretended not to know about it (lie), but we yelled and got the discount. Having all the Brothers and wives stay at the Holiday Inn helped to make things easier and more fun. We can also get together for food and drink Friday night and breakfast Saturday morning and Sunday morning, and also say our goodbyes together after Breakfast on Sunday. I will send out US Mailings to everyone because there are still Brothers offline. And they may know others who have become lost and are also offline. It is everyone's personal responsibility to forward this info to every Brother you are able to contact. Rasta and Jeff Sweet will forward this to every Brother from 1976-2004 who may want to meet the original Brothers. At last count there were at least ten or so, but everyone should be informed. Thanks to all for your help in making sure that no one is left out just because they didn't know about it. Remember that everyone 1966-71 will receive a US Mailing of this from me. Look for it. You will receive another one in July when the date is announced, but make sure to keep on top of it yourself. Jeff and Rasta can US mail this for the 1972-2004 group who we are still in touch with. Check the Omicron Phi MyFamily web site, too.

In the Bond,

The AXP UC Omicron Phi Reunion Committee
Geff, Jeff, and Rasta and anyone else who wants to help.

TELL all the Brothers you are in contact with about the reunion. Tell them to visit the AXP 1966-1971 web site and update their contact info, like e-mail addresses and phone numbers and US mailing addresses. If they have lost their username or password, have them e-mail us at oriskanyaxp@yahoo.com
